

David's publications

Below is a list of David's publications. To obtain copies please contact. In addition, he has presented interim and final reports to Cornwall and Warwickshire County Councils over the course of his work.

- Longden D.M., Brammer J.G., Bastin L.B. and Cooper N. (2007) Distributed or centralised energy from waste policy? Implications of technology and scale at municipal level. *Energy Policy*, 35, p2622-2634.

- Bastin L. and Longden D.M. (2006) Comparing transport impacts for energy recovery from domestic waste: Large and small-scale options for two UK counties. *Computers, Environment & Urban Systems*, 33 (6) p492 - 503.

- Bastin L. and Longden D.M. (2006) Comparing transport impacts for energy recovery from domestic waste: Large and small-scale options for two UK counties. GISRUK, Nottingham, UK.

- Longden D.M. and Brammer J.G. (2006) County planning of energy from waste facilities: A new approach to strategic assessment of technology and scale applied to Warwickshire, UK. Annual CIWM Conference incorporating the 5th International Symposium on Waste Treatment Technologies, Paignton, UK.

- Longden D.M. Brammer J.G. and Cooper N. (2005) GIS-based evaluation of energy provision from waste and biomass plant at local community level. 6th International Conference in Science and Thermal-Chemical Biomass Conversion, Vancouver, Canada.

- Longden D.M. Aitchison L. Gottschalg R. Infield D.G. (2004) Long term performance of a CdTe array. 19th European Photovoltaic Solar Energy Conference, 7-11 June 2004, Paris, France.
